

ACHEV Dress Code for Dances in general

In our desire to honor the Lord in all we say and do, which includes how we dress and present ourselves, ACHEV would like to set forth a dress code for our dances which focuses on modesty and practicality. We have taken into consideration that many dance steps are vigorous with girls twirling or being flipped upside down. *Students arriving at dances without proper attire will be asked to call a parent to bring them suitable clothing or return home to change. Please be gracious in accepting the decision of the person in charge.*

You will want to dress comfortably, but dress up a little for The Back to School Dance. Collared shirts and slacks (no jeans) for the boys, and skirts/tops or dresses for the girls. Included below are illustrations of the minimum hemline as well as examples of outfits. Please note if dresses have sheer layers, it is the solid fabric that must be at least to the top of the knee, as shown below. Comfortable shoes encouraged!

Boys

- Collared shirts
- Slacks

Girls

- Skirts or dresses knee length or longer. (This means touching the top of the knee, regardless of leggings.) If there is a lace overlay, the skirt underneath (solid fabric) needs to touch the knee.
- Leggings or shorts are required if the skirt rises past the knees while twirling.
- No low-cut, strapless, backless, or halter tops. Straps need to be at least one inch wide
- No exposed cleavage or bra straps
- No pants
